## **Fulwood Methodist Church – procedures for collecting children and young people in the event of fire. (September 2022)**

If there is a fire or fire alarm, the leaders will take the children and young people out by the nearest safe exit. This will usually be:

Bright Sparks (Under 5s – but not crèche) meeting in the **Sycamore room** – out of the back door to the fire assembly point in the rear car park. Parents and carers should collect their children from the car park.

Children meeting in the **Cedar Room** will be taken out by the fire door and along the outside of the hall to the tree outside the front of the hall furthest away from Garstang Road. Parents and carers should collect their children from here and take them to the fire assembly point at the corner of Watling Street Road and Garstang Road.

Children and young people meeting in the **Copper Beech or Willow Grove** will be taken out by the front door and meet by the tree furthest away from Garstang Road. Parents and carers should collect their children and young people from here and take them to the fire assembly point at the corner of Watling Street Road and Garstang Road.

**Please make sure that leaders know you are collecting your child as they will have a register with them to make sure all children are accounted for. If it is deemed unsafe for children to wait by the trees they will be taken to meeting area on the corner of Watling Street Road and Garstang Road.**
