Heralded as one of the funniest plays ever written *The Importance of Being Earnest* has delighted audiences for over 100 years. This wonderfully witty and deliciously decadent comedy masterpiece will now be brought to life in Bolton by a cast of celebrated stage and screen actors in a vibrant new production.

Bachelors and best friends Jack and Algernon create alter egos to escape their tiresome lives. However when they both fall in love and attempt to win the hearts of two women the pair become tangled in a tale of deception, disguise and misadventure.
