***THE MOST DAZZLING AND DYNAMIC MUSICAL IN BROADWAY HISTORY***

**'Could it be? Yes, it could. Something's coming – something good.'**

WEST SIDE STORY marries stunning choreography to a matchless songbook – Maria, America, Somewhere, Tonight – as it translates ROMEO AND JULIET to 1950s Manhattan. It's the Jets and the Sharks, two rival gangs who make New York's mean streets even meaner. But it's also passionate, tender and deeply romantic – the greatest love story ever told.
