**Call for Administrative volunteers for MANW**

The MANW needs the assistance of volunteers to undertake a current audit approaching 200 property files to ensure that they contain all the necessary information or to identify gaps. A check sheet approach will be necessary with only limited IT work. This will entail about 2.5 days work for one person, to be undertaken at the Penwortham offices, at times and periods suitable to the volunteer(s). A small group of people could complete the task more swiftly. If you are interested in this task or more generally, please contact [administration@methodistaction.co.uk](mailto:administration@methodistaction.co.uk) or ring 01772 751000 (asking for Lesley) as soon as possible.
