News from the Salvation Army

The summer months are often a difficult time for foodbanks. Families struggle to have enough food through the school summer holidays and many people who support foodbanks by donations are themselves away on holiday. Claire from the Salvation Army food bank says that, recently, they have had a massive run on giving out food bags – over 900 in June (150 more than previous monthly highest). They need tinned/packeted food (but NOT pasta) and toiletries. 187 new families have been referred by Social Services and their need is desperate. Any help would be greatly appreciated. The yellow box is in the hall if you would like to put items in there. These will be taken down regularly.

26th July

1 Chronicles 16 8-12

For Kingsfold, Penwortham and Bamber Bridge

Those who have lost their lives both young and old all precious in your sight and for their loved ones at this time.

Those tending to the ill and those who support their efforts. We think especially of the medical professionals on the front line, doctors, nurses, the emergency services, care workers, and key workers who also play vital roles.

Those in government and authority who face grave and difficult decisions.

Those who are worried for their families, livelihood, jobs and stability in the face of illness and redundancy.

Those whose homes are not safe places.

Those who are the poorest in our world and do not have the medical facilities, infrastructure, and advances to combat this disease.

Those who are supporting others around them to help with practical concerns such as collecting food or medicines or alleviating loneliness.

For the vulnerable and the fearful, for the gravely ill and the dying, that they may know your comfort and peace.
