

## Fulwood Methodist Church

During Lent this year we are trying a whole church approach to our worship and study. The Services and Sunday Club will focus on the Theme the life of Jesus. At the beginning of each service we will have a witness who will help us all hear the story. They will then place an item linked to their story at the foot of our Lent cross before they go into Sunday Club to continue talking with the young people. The rest of the congregation will continue with the theme. There will be a picture to focus on and a question to think about each week along with prayer suggestions in the notices.
