

PRESTON CHURCH SERVICES ON-LINE OR ON YOUR (SMART) TV

One of the bonuses of these different times is that we can link on to more than just our own style of service – so feel free to try a few of those below! **Perhaps you can think of it as being on holiday and going to a different church each Sunday!!**

Other churches have set up their own "Zoom" secure links, we can't include them here for on-line security. If you'd like to know more, please contact your minister directly.

Some services are live streamed, so join them at the times stated below, others are on YouTube and can be viewed anytime.
